Notice of Meeting

Raglan Community Board

Notice is hereby given that a meeting of the Raglan Community Board will be held in the Supper Room, Town Hall, Bow Street, Raglan on Tuesday 14 February commencing at 2.00pm. A public forum will be held from 1.30pm.

Note: In the event that the business of any Committee is not concluded on the advertised date, the meeting may be continued on a later date scheduled by the Committee prior to adjournment.

This notice is given under section 46 of the Local Government Official Information and Meetings Act 1987.

Smoke testing wastewater pipes in Raglan

Working in conjunction with Waikato District Council, contractors will be smoke testing Raglan's underground wastewater drainage system in the northeast section of town in the coming three months.

Council is looking for faults within the system, such as stormwater downpipes being connected to the wastewater network.

The contractor carrying out the work for Council will need external access to properties for approximately 10-15 minutes each. In most cases you will not need to be home during the smoke testing inspection, however if you do not consent to the inspection or there are any issues with accessing your property such as locked gates or dogs present, then you should contact the contractors Mott MacDonald by email or phone to make alternative arrangements.

The contact for Mott MacDonald is Sophia Chan and she can be contacted by phone on 09 973 7448 or by email: Sophia.chan@mottmac.com.

Nomination of Committee Members

for the Waikato District Council Creative Communities Funding Scheme Assessment Committee

The Waikato District Council Creative Communities Funding Scheme Assessment Committee is seeking four community representatives to be part of the Committee to help it prioritise and allocate funding for arts and culture projects within the district.

Assessment committees are at the heart of the success of the Creative Communities Funding Scheme.

The main role of the Creative Communities Funding Scheme Assessment Committee member is to consider applications and allocate funding in line with any specific local priorities that have been set by Council.

As a representative of the arts and culture community, you need to demonstrate a love for arts and culture, have a broad knowledge of arts and cultural activities in both your local area and the wider district. Additionally you will need to be prepared to:

- discuss and make recommendations for promoting the scheme locally
- receive reports on funded projects and discuss completed projects
- attend performances, exhibitions and other events funded by the Scheme
- attend meetings organised by Creative New Zealand
- contribute to the Annual Evaluation Report

To make a nomination, the form can be found on our website at www.waikatodistrict.govt.nz/ccs or contact Council's Community Development Advisor, Lianne van den Bemd, at Waikato District Council, Private Bag 544, Ngaruawahia, phone 07 824 8633, e-mail lianne.vandenbemd@waicd.govt.nz.

Applications close Monday 13 February 2017.
