FREE RANGING CATS

Free ranging or stray cats in bush reserves and around town are managed via a "live trapping program" to control their populations.

This means that if a domestic cat is caught it can be released unharmed or if your cat is micro chipped and collared it will be much easier for the Raglan Stray Animal and Wildlife Fund to identify the owner and the cat returned. The Karioi project and Raglan Stray Animal and Wildlife Fund will be working in partnership to manage free ranging cats. All cats caught will be assessed by Raglan Stray Animal and Wildlife Fund to determine if a cat is a stray or can be rehabilitated or re-homed.

Cat owners should consider getting a collar for their cat and keeping cats indoors at night from 7 pm to 7 am. De-sexing and micro chipping is also recommended and Raglan Stray Animal and Wildlife Fund will be running a special on micro chipping for the month of August to support cat owners.

For the month of August Raglan Anexa will be running a half price special on microchipping for cats - only \$24.00 Please phone the clinic to speak to a nurse for details.

Dear Raglan, Ruapuke, Te Mata, Makomako Community

We will be hosting the 8th Edition of the Karioi Classic here in Raglan on Sunday 30th July. We ask for your patience, particularly for those living on Whaanga, Ruapuke, Tuturimu, Waimaori, Waimaunga and Te Hutewai Roads as we will have a road closure in place from 0730am - 2pm, this is to keep our riders and drivers safe.

The road closure is in place from the gravel side of Whaanga Road, just past the entrance onto Te Tuhi Road, just past the entrance to Xtreme Zero Waste, @ Te Mata/Ruapuke, @ Te Hutewai/Te Mata, @ Te Mata/Waimaori.

This is a rolling road closure, which simply means that our last tail end vehicle becomes our works end. We expect Te Toto gorge to be uplifted around 11am, Waimaori between 1130 - 12pm and Ruapuke around 1.15pm. Race direction is anti clockwise around Karioi. Vehicles can travel in the same direction as the riders.

Please keep an eye out for our 85km riders, they will be riding past Waireinga/Bridal Veil Falls, Papatapu and Te Mata Roads.

Races will commence on Stewart Street: 85km @ 0830, 57km @ 0930, 43km @ 1015. Races finish in on Raglan Airfield, come down and cheer the riders home, first anticipated rider in @ around 1130.

We will also have a stop/go on the corner of Te Hutewai and Wainui Roads - riders will come down Te Hutewai Road and will turn right onto Wainui, our marshals will be operating the stop/go to enable riders to smoothly turn right from Te Hutewai onto Wainui Road.

We apologise for any inconvenience this may cause, if you have any questions please call Lisa Thomson 0211 798 256 or Dirk De Ruyscher on 0212380818.
